Cinque storie misteriose (Italian Edition) Silvana Sanna

Certi strani avvenimenti che parrebbero non avere una logica spiegazione mi hanno sempre affascinata. Ma sono un tipo coi piedi ben piantati per terra e dunque portata a pensare che una giustificazione razionale debba sempre esserci, oppure che la faccenda “misteriosa” sia solo frutto di particolari coincidenze. Tuttavia, in un angolo recondito della mia mente, qualcosa mi suggerisce che, in fondo, la ragione non può sempre spiegare tutto e che certi fatti incomprensibili possano essere davvero accaduti e non siano solo frutto della fantasia di chi li narra.

In questi cinque racconti, scritti in anni successivi e già in precedenza pubblicati singolarmente e che ora ho raccolto in formato ebook, mi sono presa il piacere di riportare episodi di cui, in vari modi, ero venuta a conoscenza e che mi avevano incuriosita. Li ho scritti in prima persona in modo che il lettore abbia l'impressione di udire raccontare queste strane storie dalla viva voce di chi sostiene di averle vissute e si lasci meglio coinvolgere da quella sottile vena di inquietudine e di incertezza che io stessa ho provato mentre li rammentavo per scriverli. Sono adatti, e rivolti, anche ai ragazzi che amano il mistero e sono ancora capaci di osservare il mondo con occhi privi di condizionamenti. Se invece, adulti o meno, fate parte della categoria degli scettici irriducibili... leggete i racconti come fossero della favole e... buon divertimento!
