RMC Publications, Inc. is please to announce its new version 4.3 of PM FASTrack, PMP exam simulation software, complete with updated questions and additional functionality.

PM FASTrack is a robust exam simulation program that lets you discover the gaps in your knowledge before you take the PMP exam. It contains 1,300 questions - simulates the range and depth of questions that may be found on the PMP exam. This can't be found in a book.

You can take hundreds of exams in 4 testing modes including Knowledge Area, Process Group and by keyword as well as a Super PMP Exam - the hardest questions.

Apply and test your knowledge. The PM FASTrack software automatically scores your answers and gives you reports to help you analyze your progress. Questions are written and sorted like the PMP exam.
