*Wisdom of the Kadam Masters* is the second volume in the *Tibetan Classics* series, which aims to make available accessible paperback editions of key Tibetan Buddhist works drawn from Wisdom Publications' *Library of Tibetan Classics*.

The phrase "Kadam masters" evokes for many Tibetans a sense of a spiritual golden age--the image of a community of wise yet simple monks devoted to a life of mental cultivation. These eleventh- and twelfth-century masters were particularly famed for their pithy spiritual sayings that captured essential teachings in digestible bites. In these sayings one unmistakably detects a clear understanding of what comprises a truly happy life, one that is grounded in a deep concern for the welfare of others.

Like the *Sayings of the Desert Fathers*, Lao Tzu, or Rumi, the teachings contained in *Wisdom of the Kadam Masters* can be approached as a part of the wisdom heritage of mankind, representative of the long history of the long human quest to understand our existence and its meaning. This volume offers some of the most beloved teachings of the Tibetan tradition.
