A Gift From Heaven Angela Buskohl

Through her intuitive practices, Angela discovered the ability to connect with those who have crossed over into the spiritual realm. When she began to connect and communicate with her brother Peter, she was guided by him to begin creative writings, channeling messages from Spirit. When asking Peter what she should write about, Angela began hearing the voice of the ones who call themselves Ezekiel. She honored their request to share these writings with the world, never quite understanding why she was chosen for this gift. From this channeling Angela received this book, A Gift from Heaven. As illustrated on the cover, the tools in the gift box will empower its readers to create a fuller, richer life experience. The messages from Ezekiel will help you discover a road that leads you to alignment with the Christ Consciousness so you may see and react to the world in a whole new way, with a spiritual brain and heart that connect your inner being to your higher self.
