Gilbert Hernandez

Citizen Rex Gilbert Hernandez

"What compels life without a soul?" Comics legends Gilbert (Palomar, Luba, Speak of the Devil) and Mario (Mister X, Me for the Unknown) Hernandez join forces to present a bizarre, sexy view of the future!

Twenty years ago, the most famous, lifelike robot in the world was engulfed in scandal, arrested, and deactivated. Since then, an antirobot movement has developed, while body modification is in and prosthetic limbs have become hot black-market items. Stories like these are the stock in trade of gossip blogger Sergio Bauntin, whose startling revelations earn him the constant scrutiny of both the mob and the city's mysterious investigators, the Truth Takers. When Sergio catches wind of sightings of the long-missing robot celebrity CTZ-RX-1, all of these interests will collide in violence and intrigue.

This handsome hardcover collection also features a new cover by Gilbert, sketches and behind-the-scenes material from Mario, and a special pinup from third Hernandez brother Jaime (Locas, The Education of Hopey Glass)!
