Get up out of your seats and praise the Lord through dance! Worship occurs in many ways. Some people worship God through good works. Others worship the Lord through prayer. Many worship the Almighty through singing songs of praise. But more and more people are worshipping God through dance. In *Dancing for Joy*, Murray Silberling, one of the world's foremost experts on worship dance, uncovers fascinating facts about this biblical form of worship. This "the dancing rabbi," as he is affectionately known in Messianic Jewish circles, brings years of experience in worship dance and teaching worship dance to this book. He offers encouragement to the klutz--the clumsy person--who doesn't think dancing is for him. He also confronts the fallacy that dancing is only for women. He demonstrates how dance has been used through the ages as a way to worship God.
