## **She's Not There: A Life in Two Genders** Jennifer Finney Boylan

The provocative bestseller *She's Not There* is the winning, utterly surprising story of a person changing genders. By turns hilarious and deeply moving, Jennifer Finney Boylan explores the territory that lies between men and women, examines changing friendships, and rejoices in the redeeming power of family. Told in Boylan's fresh voice, *She's Not There* is about a person bearing and finally revealing a complex secret. Through her clear eyes, *She's Not There* provides a new window on the confounding process of accepting our true selves.

“Probably no book I’ve read in recent years has made me so question my basic assumptions about both the centrality and the permeability of gender, and made me recognize myself in a situation I’ve never known and have never faced . . . The universality of the astonishingly uncommon: that’s the trick of *She’s Not There*. And with laughs, too. What a good book.” —Anna Quindlen, from the Introduction to the Book-of-the-Month-Club edition.
