Squirrel Wars: Backyard Wildlife Battles & How To Win Them

George H Harrison

Squirrel Wars: Backyard Wildlife Battles & How To Win Them George H Harrison

Just in time for spring, the popular Squirrel Wars book has received a new cover that is sure to catch the eye of home owners everywhere.

Despite our reverence for wildlife, many of our most favorite species raise havoc in lawns and gardens from city to suburbia.

This book solves backyard problems with squirrels, raccoons, deer, crows, insects and a host of other "pests" who raid backyard bird feeders and garbage cans, nest in chimneys, eat shrubbery, dig holes, tunnel in lawns, and attack garden foliage.

Informative tips, devices, and methods are explained that will lead to a peaceful coexistence with all animals, great and small.
