Not only do you have to incorporate one new person into your life; you have to welcome that person's children too. This guide will teach new and future stepparents how to:

- Meet and build relationships with potential stepchildren
- Handle situations involving the other biological parent
- Involve stepchildren in the wedding
- Be an involved stepparent without overstepping boundaries
- Make tough decisions about money, education, and more

This comprehensive resource covers dozens of different situations--from battling the wicked stepparent stereotype to mediating interactions between stepsiblings.
