## **A Tale of Two Cities (Wordsworth Classics)** Charles Dickens

*A Tale of Two Cities* (1859), Dickens' greatest historical novel, traces the private lives of a group of people caught up in the cataclysm of the French Revolution and the Terror. Dickens based his historical detail on Carlyle's great work – *The French Revolution*.

‘The best story I have written’ was Dickens’ own verdict on *A Tale of Two Cities*, and the reader is unlikely to disagree with this judgement of a story which combines historical fact with the author’s unsurpassed genius for poignant tales of human suffering, self-sacrifice, and redemption.
