If you stop running, you fall.

Jonah Pastern is a magician, a liar, a windwalker, a professional thief...and for six months, he was the love of police constable Ben Spenser's life. Until his betrayal left Ben jailed, ruined, alone, and looking for revenge.

Ben is determined to make Jonah pay. But he can't seem to forget what they once shared, and Jonah refuses to let him. Soon Ben is entangled in Jonah's chaotic existence all over again, and they're running together—from the police, the judiciary, and some dangerous people with a lethal grudge against them.

Threatened on all sides by betrayals, secrets, and the laws of the land, can they find a way to live and love before the past catches up with them?

This story is set in the world of the Charm of Magpies series.

Warning: Contains a policeman who should know better, a thief who may never learn, Victorian morals, heated encounters, and a very annoyed Stephen Day.
