Lost Melody: A Novel Lori Copeland, Virginia Smith

The beautiful piano sitting in the corner of Jill King's apartment begs to be played. For over a year, it has sat untouched, ever since a terrible accident shattered Jill's ambition of becoming a concert pianist. The ragged scar on her left hand is a cruel and constant reminder of the death of her dream.

But another dream is about to come to life—an unexpected, horrifying dream that will present Jill with a responsibility she never wanted. And choices she never wanted to make.

Hundreds of lives depend on Jill's willingness to warn her small, oceanside town in Nova Scotia of a nameless, looming disaster. But doing so could cost Jill her reputation, jeopardize the political career of the man she loves, and ruin their plans for a future together.

The fate of an entire community hangs in the balance as Jill wrestles with the cost of heeding one still, small voice.
