Needlepoint (The Pattern library)

Amy Carroll

Needlepoint (The Pattern library) Amy Carroll

This 96 page book has many of the typical stitches with stitch diagrams and uses (i.e. Gobelin, knitting stitch, diagonal mosaic...) but each of these stitches is shown stitched using different color threads to make a pattern within the stitch. There are 15 pages of bargello patterns, and a section on borders, stripes and corners. It's a great little reference book for any needlepoint library
