Santeria Cubana: El Sendero de la Noche Raul J. Canizares

Iniciado en el sacerdocio de la santería a la edad de siete años, Raúl Canizares nos desvela en *Santería cubana* el mundo secreto y seductor de esta religión afro-cubana, que cada vez tiene más adeptos, aunque haya sido tan poco comprendida. Canizares explica la práctica de la santería con los conocimientos de un miembro de la misma y la perspicacia de un erudito, revelando muchas de sus dimensiones hasta ahora ocultas, y proporcionando a la vez un análisis fascinante sobre la mezcla intrincada de las tradiciones católicas, cubanas y africanas.

El cubano Canizares describe los métodos y rituales de los seguidores de la santería, que van desde la prescripción de hierbas mágicas, hasta la curación mediante el espiritismo y el sacrificio de animales; y explica cómo se ha mantenido durante muchos años disimulada bajo el catolicismo, para evitar la persecución religiosa. La mayoría de los iniciados han jurado un pacto de silencio, pero Canizares opina que a llegado el momento de levantar ese juramento y sacar a la luz a la santería, una religión de belleza y resistencia, para que se pueda tener un punto de vista más exacto de esa rica tradición. Las once láminas a color y las ilustraciones en blanco y negro realizadas por el autor, alegran el texto y evocan el poderoso espíritu de la santería.
