Have you ever wondered why, when Eve ate the fruit, nothing happened? Or why, when God created a helpmate for Adam, He first created animals and not Eve? Or even when God created Eve herself, He didn't create her out of dirt? Women are God's creation; understanding why God chose to do it this way brings joy to our oneness in Christ!

Larry Brown's *The God Walking Program: Steps Leading Us to the Father's Will* opens the door to biblical truths by taking the reader on a journey through the Bible in a simple yet insightful conversation with God. Using passages of Scripture from all throughout the Bible, *The God Walking Program* ultimately points to one undeniable truth: Jesus Christ is the way to the Father's will. No matter how educated or uneducated you are in the Bible, you will no doubt come away with a better understanding of your relationship with Jesus Christ and the blessings that come from this union.
