**The Sister Queens** Sophie Perinot

Patient, perfect, and used to being first, Marguerite becomes Queen of France. But Louis IX is a religious zealot who denies himself the love and companionship his wife craves. Can she borrow enough of her sister's boldness to grasp her chance for happiness in a forbidden love?

Passionate, strong-willed, and stubborn, Eleanor becomes Queen of England. Henry III is a good man, but not a good king. Can Eleanor stop competing with her sister and value what she has, or will she let it slip away?

*The Sister Queens* is historical fiction at its most compelling, and is an unforgettable first novel.
