A Haunted Life: The True Ghost Story of a Reluctant Psychic Debra Robinson

An incredible true story of a love that survives death

Haunted houses, demonic attacks, family tragedy, and rock'n roll? Debra Robinson has experienced it all. Born into a psychic, though religious, family, Debra always felt conflicted about her gifts. To complicate matters, a darkness seems to follow her when she begins her career as a rock musician. Did it come from the Ouija board she played with as a teenager? Or from the poltergeist who haunted her home?

Follow this reluctant psychic through her amazing personal story as she struggles to come to terms with her ability . . . and the darkness that pursues her. It is finally the tragic deaths in her family?and visits from the other side?that lead her to the answers she's seeking and prove that love, indeed, survives beyond death.
