Buckley and his Mama live in a cozy cabin by the ocean. He loves to carve boats out of the driftwood he finds on the beach nearby.

He makes:

big boats  
long boats  
short boats and  
tall boats,

each one more beautiful than the last, and sends them out to sea. If they don't come back, he knows they've found their way to his papa, whom he misses very much.

In this stunning debut, author/illustrator Jessixa Bagley explores the subtle and deep emotions associated with loss in a heartwarming tale that is sure to stay with the reader long after the book is closed.
