Chicago Noir (Akashic Noir)

Chicago Noir (Akashic Noir)

“*Chicago Noir* is a legitimate heir to the noble literary tradition of the greatest city in America. Nelson Algren and James Farrell would be proud.” —Stephen Elliott, author of *Happy Baby*

“If ever a city was made to be the home of noir, it’s Chicago. These writers go straight to Chicago’s noir heart.” —Aleksandar Hemon, author of *Nowhere Man*

Brand new stories by: Neal Pollack, Achy Obejas, Alexai Galaviz-Budziszewski, Adam Langer, Joe Meno, Peter Orner, Kevin Guilfoile, Bayo Ojikutu, Jeff Allen, Luciano Guerriero, Claire Zulkey, Andrew Ervin, M.K. Meyers, Todd Dills, C.J. Sullivan, Daniel Buckman, Amy Sayre-Roberts, and Jim Arndorfer.

The city of Chicago has spent much time and money over the last decade marketing itself as a tourist-friendly place for the whole family. It's got a shiny new Millennium Park, a spaceship in the middle of Soldier Field, and thousands of identical faux-brick condo buildings that seem to spring from the ground overnight. Chicago's rough-and-tumble tough-guy reputation has been replaced by a postcard with a lake view.

But that city's not gone. The hard-bitten streets once represented by James Farrell and Nelson Algren may have shifted locales, and they may be populated by different ethnicities, but Chicago is still a place where people struggle to survive and where, for many, crime is the only means for their survival. The stories in *Chicago Noir* reclaim that territory.

***Chicago Noir* is populated** by hired killers and jazzmen, drunks and dreamers, corrupt cops and ticket scalpers and junkies. It's the Chicago that the Department of Tourism doesn't want you to see, a place where hard cases face their sad fates, and pay for their sins in blood. These are stories about blocks that visitors are afraid to walk. They tell of a Chicago beyond Oprah, Michael Jordan, and deep-dish pizza. This isn't someone's dream of Chicago. It's not even a nightmare. It's just the real city, unfiltered. *Chicago Noir*.

From reader reviews:

Roxanne Jimenez:

Nowadays reading books be than want or need but also be a life style. This reading routine give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book this improve your knowledge and information. The information you get based on what kind of e-book you read, if you want drive more knowledge just go with knowledge books but if you want really feel happy read one using theme for entertaining for instance comic or novel. The actual Chicago Noir (Akashic Noir) is kind of e-book which is giving the reader unstable experience.

Eric Ray:

In this period globalization it is important to someone to acquire information. The information will make professionals understand the condition of the world. The healthiness of the world makes the information easier to share. You can find a lot of personal references to get information example: internet, newspaper, book, and soon. You will see that now, a lot of publisher that will print many kinds of book. The actual book that recommended to your account is Chicago Noir (Akashic Noir) this reserve consist a lot of the information of the condition of this world now. That book was represented how can the world has grown up. The dialect styles that writer use for explain it is easy to understand. The particular writer made some exploration when he makes this book. Honestly, that is why this book acceptable all of you.

Kurt Hooper:

This Chicago Noir (Akashic Noir) is new way for you who has fascination to look for some information mainly because it relief your hunger details. Getting deeper you in it getting knowledge more you know or you who still having small amount of digest in reading this Chicago Noir (Akashic Noir) can be the light food to suit your needs because the information inside this book is easy to get by simply anyone. These books build itself in the form which can be reachable by anyone, sure I mean in the e-book form. People who think that in reserve form make them feel drowsy even dizzy this e-book is the answer. So you cannot find any in reading a publication especially this one. You can find actually looking for. It should be here for you. So , don't miss this! Just read this e-book kind for your better life in addition to knowledge.

Garry Brown:

A lot of publication has printed but it is unique. You can get it by internet on social media. You can choose the top book for you, science, comic, novel, or whatever simply by searching from it. It is called of book Chicago Noir (Akashic Noir). You can add your knowledge by it. Without causing the printed book, it can add your knowledge and make you actually happier to read. It is most significant that, you must aware about publication. It can bring you from one location to other place.
