Hilton Head Island (Images of America) Coastal Discovery Museum

Hilton Head Island, a celebrated resort community with a colorful and intriguing past, is one of South Carolina's premier tourist destinations. Its scenery and leisure industry attract more than 1.5 million visitors each year to play golf, relax on the beaches, or just to soak up the atmosphere. Before the fairways and hotels ever arrived on the scene, the island already had a long and interesting history dating back as far as 10,000 years ago, when Native Americans first began to visit the area. In Hilton Head Island, Natalie Hefter and the Coastal Discovery Museum revisit this history, charting the area's development from its first plantation in 1717, through the boom years of shipbuilding and Sea Island cotton to the Civil War. In over 200 vintage photographs, the authors document the impact of the Union occupation, the establishment of Mitchelville (the island's "contraband" and Freedmen community), the dramatic effects of the first bridge to the island, and the development of the tourist industry that now typifies Hilton Head.

From reader reviews:

Micheal McDonough:

Have you spare time for any day? What do you do when you have a lot more or little spare time? Yeah, you can choose the suitable activity intended for spend your time. Any person spent their particular spare time to take a walk, shopping, or went to the particular Mall. How about open or even read a book eligible Hilton Head Island (Images of America)? Maybe it is being best activity for you. You understand beside you can spend your time along with your favorite's book, you can more intelligent than before. Do you agree with their opinion or you have additional opinion?

Paul Moore:

As people who live in the actual modest era should be change about what going on or details even knowledge to make these keep up with the era that is always change and move forward. Some of you maybe will certainly update themselves by reading books. It is a good choice in your case but the problems coming to you is you don't know which one you should start with. This Hilton Head Island (Images of America) is our recommendation so you keep up with the world. Why, because book serves what you want and want in this era.

James Fox:

Your reading 6th sense will not betray a person, why because this Hilton Head Island (Images of America) book written by well-known writer who knows well how to make book that could be understand by anyone who also read the book. Written within good manner for you, still dripping wet every ideas and creating skill only for eliminate your own personal hunger then you still uncertainty Hilton Head Island (Images of America) as good book not merely by the cover but also by content. This is one guide that can break don't determine book by its cover, so do you still needing another sixth sense to pick this!? Oh come on your studying sixth sense already alerted you so why you have to listening to another sixth sense.

Kent Moore:

As we know that book is very important thing to add our knowledge for everything. By a e-book we can know everything we would like. A book is a group of written, printed, illustrated as well as blank sheet. Every year seemed to be exactly added. This e-book Hilton Head Island (Images of America) was filled with regards to science. Spend your extra time to add your knowledge about your science competence. Some people has different feel when they reading some sort of book. If you know how big benefit from a book, you can truly feel enjoy to read a publication. In the modern era like now, many ways to get book that you just wanted.
