## **Institutions & Public Law: Comparative Approaches (Teaching Texts in Law and Politics)**

*Institutions & Public Law: Comparative Approaches* is a set of essays on the politics of law and courts by leading public law scholars in the United States, Europe, and Latin America. The essays share the view that understanding courts requires attention to the political dynamics that shape judicial design and authority, as well as the position of courts within the broader political system. This volume is essential reading for undergraduate and graduate courses in judicial politics.
