The Life Intended Kristin Harmel

Sliding Doors meets *P.S. I Love You* in this richly told novel from the author of *The Sweetness of Forgetting* about the struggle to overcome the past when our memories refuse to be forgotten.

After her husband's sudden death over ten years ago, Kate Waithman never expected to be lucky enough to find another love of her life. But now she's planning her second walk down the aisle to a perfectly nice man. So why isn't she more excited?

At first, Kate blames her lack of sleep on stress. But when she starts seeing Patrick, her late husband, in her dreams, she begins to wonder if she's really ready to move on. Is Patrick trying to tell her something? Attempting to navigate between dreams and reality, Kate must uncover her husband's hidden message. Her quest leads her to a sign language class and into the New York City foster system, where she finds rewards greater than she could have imagined.
