Bryce Landry, country music's hottest star, has it all, or so everyone on the outside thinks. They can't see his struggle to discover himself, to find his place in unfamiliar territories, both as a dad and as a Christian. He takes a month off and escapes to the small town of Oden Bridge, Louisiana, where his daughter lives with his grandparents.

Sophie Thatcher has never been a risk taker, but she has no complaints and never thought her life lacked until her boyfriend of three years breaks off their relationship. Only then, does she begin to question what she's missed by always playing it safe. Meeting Bryce is a call to action. She can let fear rule or trust in faith, which means taking the biggest risk of her life.

As the weeks and months pass, they discover finding each other was easy, but holding on will be a different story.
