## **WHO'S THE FATHER?**

Gossips in Lauren McCrea's small town speculated about the identity of her baby's father. But not even the daddy knew. And if her daughter hadn't been kidnapped, he never would have....

Coming face-to-face with Lauren was like a sucker punch to the gut for Ethan Brand. Yet that was nothing compared to the bomb she dropped in his lap—their night of passion had resulted in a child! Now uncovering the secrets of his past was on hold as he rushed to save his little girl. But was his fragile new family in danger because she was *his* child?
