**Sexual Politics in Cuba: Machismo, Homosexuality, And AIDS (Series in Political Economy and Economic Development in Latin America)** Marvin Leiner

In the context of the Cuban Revolution, which has otherwise brought about significant advances in social programmes, this book analyzes Cuba's practice of quarantining HIV patients. It focuses on efforts to introduce sex education in schools and to change current attitudes, arguing that the oppressive treatment of homosexuals is a reflection of a society which lacks political rights, and in particular the right to dissent.
