When NYPD police detective Morgan Reilly discovers the lamp and frees the djinn, she thinks she's hallucinating. After all, she's just back on the job after a high-speed chase left her with a head injury, and it's not the first visual hallucination she's had since the auto accident.

But freeing the djinn brings Mere, an exiled merman, charging into her life. He and his sidekick, Lynell, an elf, failed in their duty to protect a dragon's hoard that was stolen centuries ago. All this time they have sought to get it back.

Because Morgan can see him although other humans can't, Mere must enlist her help in finding the hoard before the human sorcerer into whose hands it has fallen can learn its secrets. But first he must convince her that he's real.
