In personal reflection or small group study, readers learn how the God of the universe embraced a community of slaves as His people, and in the process, changed their identity, priorities, understanding of a Holy God, and approach to life. Readers discover how God used, and still uses, people with seemingly little power, to challenge the conventional wisdom of the day to fulfill His divine plans and purposes.

Exodus: The Sacred Journey invites Christians to walk with the Israelites and experience what it means to live as a person committed to God. It's a journey for the strong of heart, because following God demands sacrifice. However, by joining with God, readers realize His journey is filled with hope, immeasurable love, and fellowship with other trusted travelers.

Young Christians are invited to join in this extreme No Limits Exodus adventure, accepting the challenge and enjoying the ride of their life.
