## Pacific Coast Highway

Before gridlocked freeways and jumbo jets, the West Coast was a region of friendly towns and secluded coves, with 1,800 miles of winding and scenic roadway. It still is!

Join Tom Snyder for another two-land adventure--from California's strands and the tumbled shoreline of Oregon, through Washington's lush rain forests. Detailed directions make traveling either up or down the coast easy.

Explore more than 390 special places, like Port Townsend, where *Snow Falling on Cedars* and *An Officer and a Gentleman* were filmed.

Discover over 100 restaurants and romantic hideaways, from pizza parlors to a cozy inn with a wine list of 2,000 vintages.

Find near-secret beaches, where you can still park free right along the old highway and wade straight into the ocean.
