True love or great sex; the Devereaux sisters find themselves in some crazy predicaments trying to find both. Diamond Devereaux: married to Jay Crawford, who thinks he's a player but may be the one getting played when Diamond gets fed up with his abusive ways and looks for love elsewhere. Jade Devereaux: married the gorgeous Marquise but when he quits school, loses his job and moves his cousin in, Jade loses her mind; so when a handsome stranger appears during a Girls Night Out with her sisters will the stress of her marriage cause her to lose control? Marissa Devereaux: free, single and loves to mingle. She uses men for her personal "pleasures" and then it's on to the next- until she meets two men vying for a permanent place in her life. Diamond and Jade want true love, Marissa just wants great sex, or so she thinks...will any of them find what they are searching for?
