This is the authorized biography of one of the most magnetic men in the world. He is a man whose presence and grace have touched and transformed millions of followers all over the world—from Bangalore to Bosnia, Surinam to South Africa, Tamil Nadu to Trinidad. A tireless traveler, he has addressed the United Nations, the World Economic Forum, and bright young minds at Harvard University. In a world torn with strife, he has carried the eternal message of love and revival of human values. Wherever he goes, people from all walks of life—homemakers, chiefs of industry, politicians, and film stars—seek his blessings and advice. Amazingly, he manages to make each one feel special and cherished. Who is this playfully profound, childlike, ever-smiling guru whose avowed mission is to “put a smile on the face of every person he meets”? He is Sri Sri Ravi Shankar, the founder of the international Art of Living Foundation, with centers in more than 140 countries of the world. This book offers you hitherto-unpublished material about his childhood, his adolescence, his spiritual development, his organization, and his Healing Breath Workshop. He has devised the Sudershan Kriya, a transformative process that has miraculous healing powers. This is a man who practices no religion but teaches, through example, the meaning of true spirituality: being ever-joyful!
