Tours and Cures of a Lightsoldier tells the true story of one person's incredible quest for self-discovery, and the answers to why we are here and what each of us could be doing with our lives. From an inquisitive childhood, full of promise and expectation we follow Alexander down a much murkier path to the all-consuming world of a modern-day cult, and the battle for identity and survival that ensues... What emerges is an honest look and guide to all things of the mind, body and spirit, and an exposition of the thought processes and exercises that have been successful healing tools and those that are less effective. What starts as a gripping personal story, finishes as a most unique and encompassing encyclopaedia of esoteric practices and teachings.
