Wickedly Charming

Kristine Grayson

Wickedly Charming Kristine Grayson

"Wickedly entertaining! Light, witty, and original, Wickedly Charming is also a wry insider's view of publishing and the heady delights of being a booklover." -Mary Jo Putney, New York Times bestselling author of *Never Less Than A Lady*

He's given up on happily-ever-after...

Cinderella's Prince Charming is divorced and at a dead end. The new owner of a bookstore, Charming has given up on women, royalty, and anything that smacks of a future. That is, until he meets up with Mellie...

But she may be the key to happily-right-now

Mellie is sick and tired of stepmothers being misunderstood. Vampires have redeemed their reputation, why shouldn't stepmothers do the same? Then she runs into the handsomest, most charming man she's ever met and discovers she's going about her mission all wrong...

It's only natural that sparks fly and magic ensues when these two fairy tale refugees put their heads-and vulnerable hearts-together...

Praise for *Simply Irresistible*

"A sweet romance...Grayson's clever, humor-tinged writing is absolutely delightful." -Booklist

"Danger, humor, and passion are all here and in full force." -RT Bookclub Top Pick

From reader reviews:

Salina Juarez:

Book is written, printed, or outlined for everything. You can realize everything you want by a e-book. Book has a different type. As it is known to us that book is important matter to bring us around the world. Beside that you can your reading talent was fluently. A e-book Wickedly Charming will make you to become smarter. You can feel far more confidence if you can know about almost everything. But some of you think this open or reading any book make you bored. It is not make you fun. Why they might be thought like that? Have you looking for best book or ideal book with you?

Dennis Bloom:

Book is to be different for each and every grade. Book for children until adult are different content. As we know that book is very important normally. The book Wickedly Charming had been making you to know about other knowledge and of course you can take more information. It doesn't matter what advantages for you. The e-book Wickedly Charming is not only giving you far more new information but also to become your friend when you truly feel bored. You can spend your own spend time to read your publication. Try to make relationship together with the book Wickedly Charming. You never experience lose out for everything if you read some books.

Carrie Correll:

Reading a publication can be one of a lot of exercise that everyone in the world really likes. Do you like reading book thus. There are a lot of reasons why people fantastic. First reading a publication will give you a lot of new data. When you read a e-book you will get new information mainly because book is one of many ways to share the information as well as their idea. Second, reading through a book will make you actually more imaginative. When you looking at a book especially fiction book the author will bring that you imagine the story how the characters do it anything. Third, you are able to share your knowledge to some others. When you read this Wickedly Charming, you could tells your family, friends in addition to soon about yours e-book. Your knowledge can inspire different ones, make them reading a publication.

Todd McCrea:

This Wickedly Charming is great reserve for you because the content which can be full of information for you who always deal with world and possess to make decision every minute. This specific book reveal it details accurately using great organize word or we can point out no rambling sentences within it. So if you are read the idea hurriedly you can have whole information in it. Doesn't mean it only offers you straight forward sentences but challenging core information with lovely delivering sentences. Having Wickedly Charming in your hand like getting the world in your arm, details in it is not ridiculous 1. We can say that no e-book that offer you world with ten or fifteen tiny right but this guide already do that. So , this is good reading book. Hey Mr. and Mrs. stressful do you still doubt that?
