**Extreme Magic: Eight Stories and a Novella** Hortense Calisher

**The recognition of failure and success is the theme of these eight short stories and the title novella from three-time National Book Award finalist Hortense Calisher**

*Extreme Magic* is Hortense Calisher's third collection of shorter works, after *In the Absence of Angels* (1951) and *Tale for the Mirror* (1962). Follow a drifting husband as he returns home and finds middle age in "A Christmas Carillon." Listen with a daughter as she overhears a painful argument between her parents in "The Gulf Between." Travel with a broken man as he heals after a tragic loss in "Extreme Magic." Once again, Calisher captivates with her expressionistic prose and intricate characters.
