When it comes to spotting political abuses and covert conspiracies designed to strip Americans of their rights and freedoms, no one is more vigilant than #1 *New York Times* bestselling authors Dick Morris and Eileen McGann (*Screwed!*, *Revolt!*, *Fleeced*, *Outrage*). In their latest call-to-arms, *Here Come the Black Helicopters!*, Morris and McGann expose the most potent threat to date to our cherished way of life: the brazen and treacherous Liberal plan to circumvent our democratic processes by putting ultimate governing power in the hands of unaccountable international organizations. Filled with shocking, incontrovertible evidence as well as a concrete action plan, *Here Come the Black Helicopters!* is an essential read that will open the public's eyes to the catastrophe that will surely occur if we allow our misguided politicians to hand the reins of government over to a devious and frighteningly inept United Nations.
