Quest for Silence

Harry Wilmer

Quest for Silence Harry Wilmer

Wilmer points out how silence gives meaning to words, dreams, thought, action and music. From his long experience as a Jungian analyst, he weaves his ideas into an eminently practical treatise on the phenomenology of silence. With many references to literature as well as his personal life experiences and crises, he offers a readable and important new story of the universal and spiritual significance of silence in a world of jackhammer noise. - from the Preface by Joseph Henderson
