In *Snow in April*, Caroline travels to Scotland, hoping to make contact with a brother she hasn't seen for years, and return in time for her wedding to the man her strong-willed stepmother thought so suitable. Then a sudden snow strands her in an isolated house with a young man recovering from tragedy. Both are on the brink of terrible mistakes, but perhaps they can save each other.

When you read a novel by Rosamunde Pilcher you enter a special world where emotions sing from the heart. A world that lovingly captures the ties that bind us to one another-the joys and sorrows, heartbreaks and misunderstandings, and glad, perfect moments when we are in true harmony. A world filled with evocative, engrossing, and above all, enjoyable portraits of people's lives and loves, tenderly laid open for us...
