What do you do when life is too chaotic? How about felting a gnome? Or 365 of them, one for each day of the year.

Artist and wool crafter Jessica Peill-Meininghaus decided that she needed a project to teach herself follow-through in life. She settled on making one of her popular felted-wool gnomes every day for a year. With pipe cleaners and wool roving, amidst the chaos of raising four children and moving cross-country, Peill-Meininghaus felted her way through hundreds of charming, pointy-hatted, often bearded characters.

Lavishly decorated with photos of each charming creation, *The Gnome Project* is the surprising and magical story of what happens when we commit to something small. (*Hint: It's something very big, as in making life more meaningful.*) Here is her inspirational tale, complete with gnome-making instructions.
