## **Tolley's Insurance Handbook** Barlow Lyde

Insurance law is often seen as a complex and baffling affair for practitioners working directly or indirectly in the industry. This is a comprehensive and first point of reference for the full range of general branch insurance matters and principles. Dealing with the general principles of law and considering the most important aspects of general branch insurance, this is the ideal complement to any professional's research library. This concise A-Z reference provides practical guidance, taking into account the law resulting from the Financial Services and Markets Act 2001. Tolley's Insurance Handbook will prove to be invaluable to lawyers, insurers, brokers and business administrators.
