## Madame Bovary: (Penguin Classics Deluxe Edition) Gustave Flaubert

For daring to peer into the heart of an adulteress and enumerate its contents with profound dispassion, the author of *Madame Bovary* was tried for "offenses against morality and religion." What shocks us today about Flaubert's devastatingly realized tale of a young woman destroyed by the reckless pursuit of her romantic dreams is its pure artistry: the poise of its narrative structure, the opulence of its prose (marvelously captured in the English translation of Francis Steegmuller), and its creation of a world whose minor figures are as vital as its doomed heroine. In reading *Madame Bovary*, one experiences a work that remains genuinely revolutionary almost a century and a half after its creation.
