**Opposites attract in this medical romantic suspense set in the high adrenalin world of the Cairns Rescue Helicopter team.**

English surgeon Andrew Wentworth left behind a successful career and a failed engagement to join the Cairns Rescue Helicopter team, but it's not shaping up to be the rejuvenating working holiday he expected.

Rescue paramedic Kate Spears is used to proving herself in a man's world, so informing the handsome surgeon that all his orders now come from her is deliciously satisfying. But she soon finds that Andrew cannot only take everything she throws at him, he keeps coming back for more.

They couldn't be more different, from their histories to their personalities to their plans for the future, but the flames between them can't be ignored. And, in the close quarters of chopper rescue, they're about to find that there's no place to hide from love.
