What will a young woman do, who has just left a cloistered monastery and is now faced with the difficult transition of getting back into normal society? And what will her mother do, who had just suffered a crippling stroke and now faces the remainder of her life as an invalid? The answers are described vividly in Six Years of Grace: Caregiving Episodes With My Mother, as Seattle violinist Jenny Sokol recounts the journey she and her mother Agatha shared. Readers are drawn into intimate conversations, daily struggles, prayerful musings, and plenty of humor.
