Henry Mark Holzer

Supreme Court Opinions of Clarence Thomas 1991-2006: A Conservative's Perspective Henry Mark Holzer

In his fifteen years as an associate justice of the Supreme Court, Clarence Thomas has written nearly 350 opinions. Thousands of Thomas's eloquent and thoughtful words are thus available for Americans to examine. Yet much of the public still bases its opinion of Thomas on the words of the American media, going as far back as the bruising confirmation battle of 1991. Widespread, uncritical acceptance of glib assumptions has greatly distorted the record and even the character of this formidable justice.

This book offers readers the opportunity to consider the real Clarence Thomas-the formidable intellectual and defender of the Constitution, amply represented by his writings. It analyzes his most important majority, concurring, and dissenting opinions from 1991 through 2006. The author argues that Thomas's opinions reveal a consistent adherence to the principles of federalism, separation of powers, limited judicial review, and regard for individual rights as contemplated by the framers of the Constitution. An appendix contains a list of every opinion Thomas has written and notes whether it was a majority, concurring, or dissenting opinion.
