The Happy Accident is a story of one man's effort to put his unhappy past behind him by running away from everything he loves. It is an effort that is doomed to fail. Brad Burke grew up in the shadow of his younger brother, Morris. He faces constant scrutiny from his mother and ridicule from his peers. The only person that ever supports him is Emily, a childhood friend and the love of his life. When WWII breaks out, he is able to do something that his brother can't join the navy. However, after a horrible accident leaves his foot crushed, Brad comes home from the navy only to find his beloved Emily married to his brother and pregnant with Morris's child. In his search for peace, Brad travels across the United States, rediscovers old friends, stumbles into wealth, finds a new love, Audrey, and uncovers a new faith. That faith is to be tested again and again until he finally surrenders himself to God. Brad's, Emily's, and Audrey's lives are to be intertwined in a way they never imagined. The Happy Accident is a story of love and hate, joy and sorrow, life and death, until Brad and his true love meet their destiny together.
