You may think of yourself as a Gemini, but would you be surprised to discover that emotionally you are a Scorpio? Most of us are familiar with our Sun sign but many people are unaware of the insights that our Moon sign can give us into our emotional self and our relationships with family, friends... and even would-be partners! This book combines your personal Sun and Moon signs, offering you a personality profile, with 144 different combinations.

Written in David's typical light-hearted and humorous style, it is a fun read - but still contains some very hard-hitting observations. It will help you better understand your home life, your career and your love life, enabling you to make changes that suit your emotional nature better. And if there's someone new in your life, wouldn't it be useful to know their Moon sign as well as their Sun sign? Are they a werewolf, angel, vampire or saint...?
