*Sometimes we dont live, we cope. I have coped, not lived, for a long time. So have you I think.*

A passionate love story set between London and Cyprus. Alexandra, a refugee from the Turkish invasion of Cyprus in 1974, has made a home in London and cocooned herself from ghosts of the past.

There, she meets Jonathan, an English classical scholar, who falls deeply in love with her. Against a backdrop of war and the partition of countries, can love overcome the grief of the past?
