## **On Creation and Predestination: Theological Commonplaces** Johann Gerhard

In this volume, Gerhard addresses creation, anthropology, angels, divine providence, eternal election, and the image of God. The Theological Commonplaces series is the first-ever English translation of Johann Gerhard's monumental *Loci Theologici*. Gerhard was the premier Lutheran theologian of the early seventeenth century. Combining his profound understanding of evangelical Lutheran theology with a broad interest in ethics and culture, he produced significant works on biblical, doctrinal, pastoral, and devotional theology. Gerhard interacts with the writings of the church fathers, Luther and his contemporaries, and the Catholic and Calvinist theologians of his day. His 17-volume *Loci* is regarded as the standard compendium of Lutheran orthodoxy, with topics ranging from the proper understanding and interpretation of Scripture to eschatology. Useful for research on Lutheran doctrine, Gerhard's accessible style makes this a must-have on the bookshelf of pastors and professional church workers.
