Phillip Brian Harper

Private Affairs: Critical Ventures in the Culture of Social Relations (Sexual Cultures) Phillip Brian Harper

In **Private Affairs**, Phillip Brian Harper explores the social and cultural significance of the private, proposing that, far from a universal right, privacy is limited by one's racial-and sexual-minority status. Ranging across cinema, literature, sculpture, and lived encounters-from Rodin's *The Kiss* to Jenny Livingston's *Paris is Burning*-**Private Affairs** demonstrates how the very concept of privacy creates personal and sociopolitical hierarchies in contemporary America.
