**Sea,Sky and Space (Ideas & Inventions)** Philip Wilkinson

The experiments and advances that transformed the world! This intriguing series covers the breakthroughs of invention that created the way of life that we take for granted today, and the people who made them. Each book looks at one specific part of history and clearly shows how things were in the past and how they have changed over time. Each book in the series contains full colour illustrations, a table of contents and an index.
