## **The Diving Bell and the Butterfly** Jean-Dominique Bauby

In December 1995, Jean-Dominique Bauby, the 43-year-old editor of French *Elle*, suffered a massive stroke that left him permanently paralyzed, a victim of “locked in syndrome.” Once known for his gregariousness and wit, Bauby now finds himself imprisoned in an inert body, able to communicate only by blinking his left eye. The miracle is that in doing so he was able to compose this stunningly eloquent memoir. In a voice that is by turns wistful and mischievous, angry and sardonic, Bauby gives us a celebration of the liberating power of consciousness: what it is like to spend a day with his children, to imagine lying in bed beside his wife, to conjure up the flavor of delectable meals even as he is fed through a tube. Most of all, this triumphant book lets us witness an indomitable spirit and share in the pure joy of its own survival.

*From the Trade Paperback edition.*
