## **The Universal Story: The Complete History of the Studio and All Its Films** Clive Hirshhorn

They sent chills down your spine with Dracula; made you laugh with Abbot & Costello and cry with ET; and nearly scared you to death with The Birds, Jaws, and Jurassic Park. Universal Studios' phenomenal success didn't come easily, and theirs is a tale worthy of a movie itself. Founded in 1912 by the legendary Carl Laemmle, Universal struggled hard in the early days to compete with its rivals, finally succeeded in the 1920s, and then began a roller coaster of ups and downs that climaxed in the new millennium with its status as a true industry leader. The major players included directors Hitchcock, Ford, Scorsese, Stone, and Lee and actors De Niro, Pacino, Streep, and Sarandon. Through an analysis of each movie, from the golden silents to Schindler's List, the exciting history of one of the world's greatest studios comes alive.

#### **Bertha Morrison:**

As a student exactly feel bored for you to reading. If their teacher questioned them to go to the library or make summary for some publication, they are complained. Just small students that has reading's heart and soul or real their hobby. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that studying is not important, boring and also can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know

that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this The Universal Story: The Complete History of the Studio and All Its Films can make you experience more interested to read.
